Subject: Resigning as District Captain and as Chairman for House District 12

Peg Cage, Chairwoman
Central Committee
Boulder County Republicans
425 S Bowen Street #1
Longmont, CO 80501

Dear Peg,

I am writing to resign my positions as District Captain for House District 12 and as District Captain in the Boulder County Republicans. I had thought that I would be developing relationships with those I met after I became active in the party in 2024. The split in the party and the bad feelings between members, however, have been more than I know how to process and apparently those who "left" will not participate, leaving me at loose ends. Also, after my recent hiatus for health issues and other life changes, I have been reassessing my fitness for these political activities as well as expenditure of resources including time, and do not feel at this time that what I have to offer or my abilities in meeting protocols is in line with what is desired in the Boulder County GOP or what I am called to do.

Perhaps Mary Dodson (Vice Chair) or David Murray (Secretary) can pick up the HD 12 Chairman position. Mary is very capable and will do well there. As for the District Captain position, I never quite got the grasp of what it is or why it's separate. It seems like those who have been around longer would be better at knowing what it is and performing whatever tasks are required. Perhaps David can pick that up. You all will find good people for the positions, I know.

Best regards,

Joan Williamson-Kelly

Joan Williamson-Kelly

cc: Mary Dodson, Vice Chair HD 12 / David Murray, Secretary HD 12
